DOCUMENTATION TO AUTHORIZE AN OWNER’S LEGAL REPRESENTATIVE

Applications for permits require the “signature of the owner or owner’s legal representative” (15A NCAC 18A .1937). If the owner does not sign the application himself or herself, they can submit any one of the following documents to designate their legal representative:

1. Power of Attorney
2. Real Estate Contract
3. Estate executor
4. Bankruptcy trustee
5. Court ordered guardianship

In the absence of the above documentation, the property owner may provide the Alamance County Health Department with documentation that designates a legal representative. A property owner may:

1. Complete this form to document his or her legal representative, or
2. Provide his or her own form that contains the information in this form.

If there are multiple property owners, then all property owners must sign the form that designates a legal representative.

By signing a form that designates a legal representative for purposes of 15A NCAC 18A .1937, the property owner authorizes that representative to act on their behalf in matters pertaining to the application and permitting process, including signing or receiving any application, document or permit. The owner retains full responsibility to meet all permit conditions specified by the Alamance County Health Department.

I _____, am the legal owner(s) of the property located at _____, identified as PIN (Parcel Identification Number) _____, located in Alamance County, North Carolina.

I do hereby authorize (print legal representative/company name) _____, to act as an agent on my behalf in applying for/signing/obtaining any of the documents described below:

- Application/permit for Improvement Permit (IP) / Construction Authorization (CA)
- Application/permit for Well Permit/Well Abandonment Permit/Well Repair Permit
- Application for Permit Revisit/Revision
- Application for Existing System Check
- Application for Water Samples
- Application for Well Camera/Thermoplastic Camera Inspection

I agree to abide by all decisions and/or conditions between the legal representative acting on my behalf and the Alamance County Health Department, Environmental Health Section.

SAMPLE SITE PLAN

If applying for an Improvement Permit, Construction Authorization, Septic System Repair, Existing Septic System Inspection, or a Well Permit, you will be asked to provide a "Site Plan." See the sample below.

- 1) To obtain an Improvement Permit that is **valid for 5 years:**
 A site plan (does not have to be a scale) or a survey plat of the property that shows:
 - The dimensions of the property.
 - The proposed location of the structure(s) and its dimensions. Include setbacks from the road and the side property line. If the structure size is unknown, please show the MAXIMUM dimensions you anticipate the structure will cover.
 - The preferred driveway location.
 - Other or future improvements to the property such as a garage, workshop, pool, etc.
 - The location of existing septic systems and wells on property and neighboring properties within 100' of property line.
 - The location of any easement or rights of way on the property.
 - The location of any designated wetlands on the property.

- 2) To obtain a **non-expiring** Improvement Permit you must show either:
 - A) A survey plat of your lot prepared by a Registered Land Surveyor where a scale of one inch equals no more than sixty feet and shows:
 - The dimensions of the property.
 - The specific location of structure(s) to be put on the property.
 - The site for the proposed wastewater system.
 - The location of water supplies and surface waters.

OR
 - B) If your lot has already been recorded at the Register of Deeds Office (336-570-6565); a copy of the recorded plat along with a site plan that is drawn to scale, containing all the information requested in number 1 above.
